

INDEX
to

The
Antitrust
Bulletin

VOLUME XX
(1975)

FEDERAL LEGAL PUBLICATIONS, INC.

1. The first part of the paper discusses the importance of the study of the history of the United States. It is argued that a knowledge of the past is essential for a full understanding of the present and for the development of a sound perspective on the future. The author emphasizes that the study of history is not merely a collection of facts, but a process of interpretation and analysis.

INDEX TO THE ANTITRUST BULLETIN

Volume XX (1975)

NOTE: This index is designed to be compatible with the *Index to The Antitrust Bulletin: Volumes I-XV (1955-1970)*, which was published in 1972 by Federal Legal Publications, Inc. It is also compatible with all previous annual indexes. The user of the present index is referred to the Foreword of the above mentioned *Cumulative Index* which explains the scope and content of the following: Author, Subject, Book Review, and Documents sub-indexes.
